

This story is told in Genesis 6-9

Gods Characteristics

Today

1	<p>God looked down at the world and saw that everyone was doing evil things. (Sin)</p> 	<p>Judge</p> <p>With Him, there are consequences for sins, and rewards for righteousness</p>	<p>God looks down at us today and sees us doing wicked things</p> 
2	<p>God had to punish those people for breaking His laws.</p> <p>That punishment was death by a massive flood.</p> 	<p>His ways are not our ways, so there will always be elements of things we don't understand that will require our faith (just as it did for Noah.)</p>	<p>God says there is a punishment for sin, and it's the same as it was in Noah's day— death.</p> <p>In our case, it's a spiritual death—separation from God for all eternity.</p> 
3	<p>Noah and his family were the only ones who still obeyed God.</p> <p>They believed Him when he said a flood was coming, and began to build the ark.</p> 	<p>Next, we can learn that if God gives us a plan to follow, He will provide us with everything we need to accomplish it; wood, nails, energy, animal calls... it will all be there.</p>	<p>If you believe God, even when you can't see the future, that's called faith.</p> <p>Just like Noah believed that God really would send a flood, you have to believe that you will be punished for your sins someday.</p> <p>However, just like Noah had the ark, you and I have a way to be saved to— our “ark” is Jesus Christ.</p>  <p>He died on a cross to pay for our sins.</p>
4	<p>God saved Noah and his family, and the rest of the world was destroyed.</p> 	<p>God keeps his promises.</p> <p>He is trustworthy, faithful, and unmovable.</p> <p>What He says is solid and true.</p>	 <p>Now, you have to “get on board” the ark.</p> <p>You have to accept Jesus’ gift of grace and tell him that you believe and accept what He did for you.</p>
